## About Me

I am a self-taught web developer with a strong sense of responsibility and organization, seeking my first professional opportunity in the field. As a Junior Web Developer, I am passionate about modern web development and have developed skills in creating web applications using HTML, CSS, and JavaScript. I'm excited to bring my skills and enthusiasm to a great team

## Experience

### Local Online Shopping Company - 2019 /2023

Customer Service ( Myanmar Team )

Developed strong relationships with clients through exceptional customer service skills.Achieved individual sales goals and customer service goals.Generated reports for customer service issues and repair records.

### Chatime - 2019

Bubble Tea Barista

Followed exact recipes for mixing and preparing beverage and food items.Learned every menu item's preparation and numerous off-label drinks to meet customer needs.Prevented infections and maintained store professionalism by cleaning and sanitizing work areas daily.
